# QUESTIONS

Always apply these principles during your growth group:

1. Read the passage the sermon was based on.
2. Always refer to the Bible.
3. Pepper your discussion with Scripture, allowing God to be the final authority in your discussions.
4. Always try to have everyone practically apply the message using the Level 3 questions.

Are you still praying for the three people needing salvation?

## LEVEL 1 | “WHAT” QUESTIONS

---

1. What is Jesus’ purpose in the healings of the leper, the centurion’s slave and Peter’s mother-in-law?
2. What did Peter’s mother-in-law do right after being healed? What is the connection between healing and service?
3. In what three ways has Jesus taken “up our infirmities and carried our diseases”? (Isaiah 53:4)
4. Why are sin, death and sickness still with us?

## LEVEL 2 | “WHEN” QUESTIONS

---

5. (Share about) When was the first time you realized you have a responsibility to serve God because He has saved you?
6. (Share about) When was the last time you willingly began service to the body of Christ?
7. (Share about) Where do you need to step out and begin serving, or serve more?

## LEVEL 3 | “HOW” QUESTIONS

---

8. How does the future ending of all sin, pain and death motivate you now to look past your own discomfort and willingly lay down your life in service?
9. How does Jesus’ compassion and sympathy help you to live more and more fully for Him?
10. How often have you seen a need at Hope Chapel and wished “someone would do something about it”? How can you be the one to fill this need?
11. (Brainstorm) Think about needs you have seen at Hope Chapel or within this mini church. Shout them out. Everyone should be able to participate. Have a volunteer write them down.
12. (Challenge) After considering the ideas; condense the list down to just three to five best practical ideas. Pick one or more. Go to it - get it done. Report back next week on what you did.
