QUESTIONS

Always apply these principles during your growth group:

1. Read the passage the sermon was based on.
2. Always refer to the Bible.
3. Pepper your discussion with Scripture, allowing God to be the final authority in your discussions.
4. Always try to have everyone practically apply the message using the Level 3 questions.

Are you still praying for the three people needing salvation?

- 14) Ask the question: “Is anyone facing a significant decision this week?” How can this MiniChurch help?
