

growth group

QUESTIONS

Always apply these principles during your growth group:

1. Read the passage the sermon was based on.
2. Always refer to the Bible.
3. Pepper your discussion with Scripture, allowing God to be the final authority in your discussions.
4. Always try to have everyone practically apply the message using the Level 3 questions.

Are you still praying for the three people needing salvation?

LEVEL 1 | “WHAT” QUESTIONS

- 1) (All-Play: Everyone answers) Suppose some new Christians asked you this question: “What does Christian unity mean? Does it mean we all don’t have separate thoughts?” What would you tell them?
- 2) Suppose the same Christians came back to you a few months later and told you that they saw very little of what you described as Christian unity in their church. What would you tell them?
- 3) Why do you think we all can talk a lot about loving each other; and yet it is often so hard to do?
- 4) Read each of the four statements. What do you notice about each selection of scripture? (see notes)
- 5) What might have happened to the first century church; in each village or town if they had not unity amongst each other?

LEVEL 2 | “WHEN” QUESTIONS

- 6) (Share about) When have you ever (formally or informally) disciplined someone?
- 7) (Share about) Where do you think you can put into practice some of the ideas from question #1 above?
- 8) (Share about) Where do you find it most difficult to be humble, gentle, patient and loving? \ Where do you think God wants you to get better in these attributes?

LEVEL 3 | “HOW” QUESTIONS

- 9) (All-Play: Everyone answers) How can each one of us express genuine love and concern for each other in practical ways?
- 10) How best can we resist our natural, fleshly way of selfishness and self-interest and instead seek for the good of each other?
- 11) How can you help a struggling Christian to make good progress toward maturity? Will you?
- 12) Ask the question: “Is anyone facing a significant decision this week?” How can this MiniChurch help?
