ABOUT THIS GUIDE

In his letter to the Ephesians, the Apostle Paul explains God's blueprint for church ministry. He says that God has given some gifted leaders in the church *"to equip the saints for the work of ministry, for building up the body of Christ."* (Ephesians 4:12). Hope Chapel draws our deep conviction that "Members are Ministers"—that each member of our church family is a minister—from this Scripture and others like it. Our heart for our church is that it would be like a busy anthill of ministry activity, where everybody is working together towards a common spiritual objective.

This small guide is meant to provide a comprehensive list of various ministries in our church body – all the ministries whose central objective is to build up our church family to unity in heart and maturity in faith. Here you will find many different ministries to participate in. Some are led by pastors, some are led by elders, some are led by members. Regardless, we believe that each ministry in these pages represents a vital contribution to the overall health and functioning of our church body. So, we hope and pray that this small guide will help you find where you fit in our family, this family called Hope Chapel.

HOPE CHAPEL MINISTRY INSTITUTE (HCMI)

Hope Chapel Ministry Institute exists to equip believers and develop them into bold disciples of the Triune God of the universe. We believe the process of theological training and equipping of believers is for everyone. By “developing disciples who delight in God’s Word” we know God is glorified and His truth is preserved for the next generation. We offer a variety of classes throughout the year. We have designated eight classes as core classes which make up our Certificate of Biblical Studies. These classes teach concepts that are fundamental to effective Christian life and ministry.

DISCOVERING HOPE ----- HOPE CHAPEL

Whether you are new to Hope or have been attending for years, you won’t want to miss “The Best Class at Hope Chapel!” With honesty and sincerity, Senior Pastor Zac Nazarian shares his personal testimony and the events that led him to Hope Chapel and ultimately, into a true saving faith in Jesus Christ. Developed by Pastor Zac, the curriculum for Discovering Hope guides students through the Biblical books of Genesis, Romans, and John to study creation, sin, salvation, and much more.

GENESIS (CORE CLASS) ----- HOPE CHAPEL

Genesis is the bedrock of our Christianity. It takes us from creation to man’s tragic fall into sin and death, and reveals God’s gracious unfolding plan of redemption through His covenant with Abraham and his descendants. Make your foundation sure by studying the book of beginnings.

GOD CENTERED LIVING (CORE CLASS)----- HOPE CHAPEL

This course works through five foundational topics for defining a life of Biblical, God-Centered, Spirit-empowered ministry. Students examine: how the pursuit of eternal pleasures in God Himself is a necessary part of all worship and virtue; how saving faith in ever-arriving future grace is also sanctifying faith; how to count all suffering joy; how men and women with equally valuable roles should complement one another in their new life and service of the body of Christ; And how God’s purpose in the world is to win worshippers for Himself from every tribe, tongue, people and nation.

GOSPEL OF JOHN (CORE CLASS) ----- HOPE CHAPEL

The Apostle John wrote his Gospel “...that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name.” (John 20:31) As you study John your faith will be strengthened as you witness Jesus’ miracles, hear Him proclaim His “I am” statements, see His crucifixion and death and finally prove His divinity by His resurrection.

HOW TO SHARE YOUR FAITH (CORE CLASS) ----- HOPE CHAPEL

You will learn how to have a simple 5 minute conversation that will leave people concerned about their eternal destiny using an almost forgotten Biblical key that has the power to unlock the door of the human heart. This class is interactive, exciting, and has the potential to change your life forever by giving you a new zeal for God like you’ve never experienced before.

HOPE CHAPEL MINISTRY INSTITUTE (HCMI) (Cont.)

MINING GOD'S WORD (CORE CLASS) ----- HOPE CHAPEL

In this course students are introduced to inductive Bible study through the steps of observation, interpretation and application. The principles in these steps are applied in weekly assignments to passages in both the Old and New Testaments. The goal of the course is to enable students to make inductive Bible Study a habit so that they may daily experience the joy of discovering the truths of God's Word.

ROMANS (CORE CLASS) ----- HOPE CHAPEL

R. C. Sproul calls Paul's letter to the Romans, "The operation manual for our beliefs and a systematic theology of our salvation." Romans has had a monumental impact on many of the great fathers in the faith from Augustine and Luther to Charles Spurgeon. Study Romans and experience what Paul proclaimed the gospel to be, "The power of God for salvation." (Romans 1:16)

THEOLOGICAL FOUNDATIONS 1 (CORE CLASS) ----- HOPE CHAPEL

This course is an attempt to systematically present what the Apostle Paul called "...the whole counsel of God" (Acts 20:27). A strong emphasis is placed on learning what the Bible says as a whole about major doctrines in hopes that we might establish ourselves, families and church in the "sound doctrine" of the faith. This course is the first of two trimesters and can be taken in any order.

THEOLOGICAL FOUNDATIONS 2 (CORE CLASS) ----- HOPE CHAPEL

This course is an attempt to systematically present what the Apostle Paul called "the whole counsel of God" (Acts 20:27). This course is the second of two trimesters and can be taken in any order.

HOPE CHAPEL MISSIONS OUTREACHES

One world – one country – one person at a time – won over for Christ

Our missions outreach trips allow the opportunity to experience short-term, cross-cultural ministry and become educated about world missions. *“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you.” Matthew 28:19.*

MEXICO

The Jones family has been ministering to the people in Puerto Escondido, Mexico since 1994. “The Refuge” is their base of operations where they gather to worship, fellowship, where outreach teams stay while working in the community, serves as a home for travelers who want to grow closer to God and a learning facility for young and old alike. It is also the home of their Dolphin Soccer Academy – their local community outreach that draws non-churched, Christ-needy youth to the feet of Jesus.

NICARAGUA

Nicaragua is the largest country in Central America with over 6 million people of which half are under the age of 15. It is also the 2nd poorest nation in the Western Hemisphere (next only to Haiti). For the last 8 years we have partnered with CICRIN orphanage on the island of Ometepe where we have built a school for more than 80 students from CICRIN and the surrounding community of Los Angeles! In a country with an authoritarian government and much residual Communist ideals, we are impacting the next generation with an education based on the Word of God. Our main focus is discipleship, construction and the implementation of self-sustaining programs for long term impact. Nicaragua annual missions trips are taken in the late part of summer each year.

ECUADOR

An orphanage on the coast of Ayampe is under construction to help provide housing to the over 200,000 orphans living on the streets of Ecuador. Jenica Brigham’s vision is to take children that are neglected or abandoned by their families into a safe, nurturing and loving environment where they can learn about the hope and love of Jesus. A small bed and breakfast is also under construction to support funding of the orphanage.

ISRAEL

Founded by Moran Rosenblit, this outreach aims to bring the hope of the Messiah back to Israel. Since the year 2000, God has built this ministry to meet the physical and spiritual needs of the people of Israel and the body of believers in the Land. They are continually blessed to grow in the number of people they are able to serve through their humanitarian projects and investments in the local Jewish and Arab believers.
