

Off with the Old, On with the New

Ephesians 4:17-32

PASTOR ZAC NAZARIAN | Nov 10-12, 2017

What happens to a person when he/she believes in and confesses Jesus Christ as Lord?

What does the new life include?

Is there a part of us that is not new? What is it?

A changed nature demands changed behavior.

Four things that characterize the “old self ” or old life-style
we are to put off- The worldly life is

1. Intellectually futile.
2. Ignorant of God's truth caused by their own hardness of heart.
3. Spiritually and morally insensitive.

4. Deprived in mind.

The godless life becomes the mindless life.

The new life in Christ is the exact opposite of the old life.

1. Our new life is Christ-Centered and purposeful.
2. The new life (self) knows and understands God's truth.

3. The new life (self) is spiritually/morally sensitive.

4. In our new life our thinking is made new.

Putting off the old and putting on the new is the fight of faith.
